

Disclosure is made regarding the questions asked in the year 2021 Ordinary General Assembly of Pınar Süt Mamulleri Sanayii A.Ş. dated 29.03.2022.

Question: Why has the Company distributed its 2021 profits in cash instead of stocks?

Answer: The Company's Board of the Directors has preferred to distribute it in cash. The specified options will be evaluated in the upcoming periods.

Question: Has the management planned to create a buyback programme for the company's shares? Is there any thought for the public offering of Yaşar Birleşik Pazarlama?

Answer: In the current situation, there is not any plan within the scope of both issues. We will consider and evaluate all feedbacks from our shareholders.
